Security Council
Seventy-first year

Protracted conflicts in the GUAM area and their implications for international peace, security and development

The situation in the occupied territories of Azerbaijan

Letter dated 22 December 2016 from the Permanent Representative of Azerbaijan to the United Nations addressed to the Secretary-General

Upon instruction from my Government, I have the honour to convey herewith the record of violations of the ceasefire by the Republic of Armenia in November 2016 (see annex).* During the reporting period, Armenia has violated the ceasefire regime 716 times and continued the usage of large-calibre guns and heavy weaponry from its positions in the occupied territories of the Republic of Azerbaijan and from its own territory.

As a result, one serviceman of the armed forces of the Republic of Azerbaijan was killed.

The continuous occupation of a large part of the territory of the Republic of Azerbaijan by the armed forces of Armenia remains the main obstacle in the settlement of the conflict and the only source of the escalation of the situation on the front line and the occurrence of hostilities and casualties.

The sooner the Republic of Armenia withdraws its troops from the occupied territories of the Republic of Azerbaijan, the sooner peace and stability can be restored in the region.

I should be grateful if you would have the present letter and its annex circulated as a document of the General Assembly, under agenda items 32 and 37, and of the Security Council.

(*Signed*) Yashar **Aliyev**

Permanent Representative
